

## Bernard Johnson Coliseum Parking Garage Sam Houston State University

### CLIENT

Sam Houston State University  
A Member of Texas State  
University System

### LOCATION

Huntsville, TX

### ROLE

Project Management

### COST/SIZE

\$12 Million  
203,600 SF

The \$12M Coliseum Parking Garage is four stories with 551 parking spaces to accommodate large sporting events and provide more parking for students. An adjoining single-story 4,600 SF building includes office spaces, a conference room, and a dispatch area for the University Police Department (UPD).

The creative design of the site incorporated an elevated walkway, enhancing the visual appeal of the parking garage while separating pedestrian and vehicular traffic for safety.

ECM's Project Management Services included budget planning and management, logistics planning, construction administration, and observation, value management, Design/Build selection, detailed constructability reviews through the release of construction documents, and contract management.
