Colony Park Aquatics and Givens Pool City of Austin

CLIENT

City of Austin

LOCATION

Austin, TX

ROLE

Program Management

COST/SIZE

Colony Pool : \$13 Million

Givens Pool: \$6 Million

ECM was selected as the Program Manager for the Givens and Colony Park Aquatics projects. The Givens Pool and the Colony Park Aquatics Facility will both serve as community pools to support the surrounding neighborhoods. The Colony Park Aquatics Facility project will complement the recently completed park that includes several playing fields, playground, fitness equipment, two pavilions, picnic tables, and a hike and bike trail.

The projects' planned amenities include: a lap lane pool, zero-entry activity pool for children, water slide, spray ground feature, diving board, gender-neutral bathhouse, family restrooms, deck space, training/party room, and aquatic office space. The projects will also participate in the City of Austin Arts in Public Places (AIPP) program, which will commission permanent art installations at the pool facilities.

ECM was hired to provide comprehensive project management services that include cost assessment for design and construction, provide timely and crucial information to the City Council and all stakeholders throughout the project and assist with the operational processes.
