

Project Sheet

Law Enforcement Center Bee County

CLIENT

Bee County

ECM provided Program Management services for the design and construction of the new Law Enforcement Center, which houses the sheriff's office, jail, and detention center.

LOCATION

Beeville, TX

The Sheriff's Office has a dispatch center, administration offices, a training center, locker rooms, a criminal investigation lab, records keeping, briefing rooms, and an evidence processing and storage room. The Bee County Jail and Detention Center completely replaced the existing facility and is supervised through a master control center and a mezzanine staff area. The jail and detention center consists of 148 beds, multiple occupancy cells, single cells, separation cells, recreational yards, public visitation areas, medical facilities, a full-service kitchen, and laundry room.

ROLE

Project Management

COST/SIZE

\$20 Million

Total: 51,640 SF

Jail Center: 38,566 SF

Sheriff's Office: 38,074 SF

ECM validated the master plan and participated in the programming and design phases while managing the Total Project Cost and Schedule. This reduced the cost by almost \$6 million while providing a facility with all the requested components in the program. ECM provided contract review, design schedule management, design delivery method, leading all preconstruction services activities, and coordinating the A/E and CMAR from conceptual design through the construction.
