

# Project Sheet

## Socorro Aquatic Complex Socorro Independent School

### CLIENT

Socorro Independent School  
District

### LOCATION

El Paso, TX

### ROLE

Construction Management

### COST/SIZE

\$4 Million  
48,000 SF

ECM provided Construction Management Services for the new Regional Educational Recreation Facility for Socorro Independent School District. This \$4 million, 48,000 SF aquatic facility opened on October 31, 1997. The natatorium houses a six-lane, 25-meter competition pool, an eighteen-foot diameter therapeutic spa, and a two-lane lap pool with a receiving well for two tubular water slides.

The natatorium structure also contains the pool's mechanical equipment, pumps, showers, lockers, reception, concessions, and administrative offices. These amenities also support the new exterior activity pool with a two-water slide tower, shallow water play structure, and water volleyball well. The aquatic facility serves the east El Paso community.
