The park and sport courts renovations is one of the GO Bond projects which includes the renovation of eleven parks within the City limits. Projects range from erosion control measures at a community trail park to sport courts replacements or rehabilitation to shade structure replacements.

Park improvements included the tennis courts at Young, Apodaca, Lions, and Metro Verde parks; Basketball courts at Metro Verde, Four Hills, Hillrise, Cardón, Benavidez, Papen, and Klein parks. Other park improvements included were picnic and playground improvements for Desert Trails, Young, and Apodaca.

ECM validated the scope of work and project budget, assisted City staff in managing public and stakeholder meetings, developing and issuing Design-Build RFP, evaluating proposals, negotiating the GMP with the highest-scored design-builder, and managing the design and the construction phases.
